

**PAYAL NEW YORK**

**Starry Look**

This delicate neckpiece in yellow and black gold is designed to meld with your skin creating a tattoo effect as it sits on your neck. Aply named The Starburst necklace, this gorgeous piece is light weight and a very wearable piece of art!

**VAN CLEEF & ARPELS**

**Decorative Fingers**

This 'Between the Fingers Ring' from master jewellers Van Cleef & Arpels is a classic creation. Each of these stunners is highlighted with twin motifs linked by an open ring. In this one, the yellow gold emphasizes the singular beauty of malachite, white gold exposes the luminosity of turquoise, while gentle pink gold resonances the radiant color of carnelian. A signature look!

# Sparkling Splendour
