BUBBLES OF JOY

Since Isla Fisher floated around in a bubble in 2013's *Now You See Me*, we've tried recreating the scene during dishwashing and foamy baths. Finally, thanks to The Arabian Bubble Celebration - a 3D bubble and laser show at World Trade Centre - we can witness the Hollywood illusion live from May 19-21. Guinness World record-holding bubble artist siblings Melody and Deni Yang will tease life-size soap spheres into mind-boggling shapes - even enveloping audience members in individual bubbles that don't go pop! Tickets from Dh75 at platinumlist.net. For details visit www.abcindubai.com.
